

PRO CLEAN

P-NNRCC

No-Rinse Neutral Stone Cleaner

pH Neutral No-Rinse Cleaner for Natural Stone and Hard Surfaces

- pH Neutral
- Fast-drying
- Residue-free, will not dull surface
- Non-Acidic
- Economical super concentrate

Coverage: 15,000 sq. ft. per gallon when diluted 40:1

Application Instructions:

1. For normal cleaning, mix 1 part Pro Clean and 40 parts clean water. For heavily soiled floors, add a greater amount of Pro Clean (DO NOT USE AT FULL STRENGTH)
2. Apply cleaner with a clean mop or with an auto-scrubber.
3. Allow floor to dry completely before allowing any foot traffic.
4. If water streaks occur, simply buff them off with a soft cloth or a white buffing pad.
5. When using Pro Clean on vertical surfaces, mix in a spray bottle and apply with a sponge or a soft cloth. (also available in Ready-To-Use quart spray bottles)
