CRYSTAL CLEAN

Neutral pH Daily Stone Cleaner

Crystal Clean is an easy to use daily cleaner. It's pH neutral formula is safe for any natural stone surface. Crystal Clean is a rinse-less cleaner that evaporates quickly and will not streak or leave water spots.

Use Crystal Clean with confidence on your granite countertop, travertine floor, marble shower, or any natural stone. It also works great on stainless steel and glass making it an excellent, and inexpensive, all purpose cleaner.

Added sealant protection is what makes Crystal Clean truly unique. It contains our advanced fluoropolymer protectant. Every time you clean you are sealing and protecting your stone surface.
