

HONING POWDER PLUS

Unique blend of abrasive compounds effectively smooths rough, worn marble and terrazzo floors, vanities, tabletops, countertops, and walls. Eliminates heavy traffic patterns, surface scratched, heavy etches and abrasions. Can be used by hand or machine. Powder formula. Use with water. For professional use only.

For Use On:

Marble, travertine, limestone and terrazzo

Available Sizes:

10 lbs.

Available Grits:

80, 120, 180, 280, 400 & 600

Coverage:

80 - 280 grit - Up to 1,500 sq. ft. per pound

400 - 600 grit - Up to 2,000 sq. ft. per pound

USES:

- Floors
- Countertops
- Backsplashes
- Walls

ADVANTAGES:

- Creates an even consistent finish
- Prepares stone for polish
- Non-acidic
- Reduces costs by eliminating the need for resin diamonds

Application Instructions:

1) Make sure surface is clean, dry, free of debris, waxes and/or coatings. **2)** Protect and mask off any areas or surfaces not being treated with Honing Powder Plus. **3)** Apply approximately 1/2 cup (4 oz.) of Honing Powder Plus to a 25 - 30 sq. ft. area along with 1 cup of water. **4)** Floors: Buff with floor machine at 175 RPM using a natural hogs-hair pad. Walls: Use a 7" variable speed (500-1000 RPM) polisher and a natural hogs-hair pad. **5)** Do not allow Honing Powder Plus to dry out during the application process. Add water and Honing Powder Plus to floor as needed. **6)** Buff the area until desired results are achieved. **7)** Rinse the floor thoroughly and use a wet vacuum to remove all remaining slurry. **8)** Use successively higher grits of Honing Powder Plus to achieve higher levels of finish.
