SWING
MACHINE

HIGH SPEED
BURNISHER

For Use On:

Marble, travertine and limestone

PRODUCT FEATURES:

- Easy to use spray polish
- Increases surface density and reflectivity
- Does not require steelwool
- Can be used with low-speed swing machines or high-speed burnishers
- Use with a white pad, hogs-hair pad or hogs-hair extreme pad

ADVANTAGES:

- Polish up to 1,000 sq. ft. per hour
- Will not darken grout joints
- Reduce labor costs by eliminating the need to clean-up steelwool fibers
- Increases scuff resistance
- Eliminate the expense of steelwool

Application Instructions:

1) Mask-off and protect any areas not being polished with Polish Pro. **2)** Work a small section (12-20 sq. ft.) and spray 1-2 ounces (6-10 squirts) of Polish Pro on the surface. **3)** Quickly use your floor machine to spread Polish Pro over the 12 - 20 sq. ft. section being worked on. **4)** Work polish evenly until completely gone. **5)** Repeat as needed to achieve desired results.

Severely worn surfaces may require additional polishing applications. Extreme surface damage will require surface restoration.
